WENTWORTH RESOURCES LIMITED

INFORMATION CIRCULAR DATED MAY 5, 2017

ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS TO BE HELD ON THURSDAY, JUNE 22, 2017

MANAGEMENT SOLICITATION OF PROXIES

This Information Circular is provided in connection with the solicitation of proxies by the management of Wentworth Resources Limited (“**Wentworth**” or the “**Corporation**”) for use at the annual and special meeting of holders (the “**Shareholders**”) of common shares (“**Common Shares**”) of the Corporation that will be held at FTI Consulting, 200 Aldersgate, Aldersgate Street, London, United Kingdom on Thursday, June 22, 2017, at 10:00 a.m. (BST) and at any adjournment thereof (the “**Meeting**”), for the purposes set forth in the accompanying Notice of Annual and Special Meeting (“**Notice of Meeting**”). Although it is expected that the solicitation of proxies will be primarily by mail, proxies may be solicited personally or in person, by telephone, facsimile, or other electronic or telecommunication device by directors, officers or employees of the Corporation who will not be specifically remunerated therefor. The cost of any such solicitation will be borne by the Corporation.

This Information Circular is prepared in accordance with the *Business Corporations Act* (Alberta) (“**ABCA**”) including the regulations thereunder, the corporate statute that governs the Corporation as a result of being incorporated pursuant to the laws of the Province of Alberta, Canada. Consequently, the content of this Information Circular may be different from other companies that have their primary listing on the Oslo Stock Exchange (“**Oslo Børs**”). The Common Shares are also quoted for trading on the AIM Market of the London Stock Exchange (“**AIM**”). The Corporation has also reported in accordance with the Norwegian Code of Practice of October 30, 2014 (the “**Code**”) and the UK Corporate Governance Guidelines. This Information Circular is to be read in conjunction with the Corporation’s 2016 annual report that contains disclosure on the Corporation’s Norwegian Corporate Governance compliance (collectively the “**Annual Report**”).

The information in this Information Circular is given as of May 5, 2017, unless otherwise indicated.

SHAREHOLDERS ELIGIBLE TO VOTE AT THE MEETING

The Corporation has established a record date of May 12, 2017 (the “**Record Date**”) for persons entitled to receive notice of and to vote at the Meeting, and only registered Shareholders of record as of the close of business on the Record Date are entitled to receive notice of and to vote their Common Shares at the Meeting unless after May 12, 2017 a registered Shareholder of record transfers Common Shares and the transferee, upon establishing ownership of the Common Shares, demands, not later than 10 days before the Meeting, that the transferee be included on the list of Shareholders entitled to vote such Common Shares at the Meeting. See also “Voting Shares and Principal Holders Thereof” and “Voting by Proxy for Registered Shareholders” below.

A significant number of persons who beneficially own Common Shares hold such Common Shares as Depository Interests in a brokerage account or through some other intermediary. In almost all cases, a person whose Common Shares are held as Depository Interests, through a broker or other intermediary, **will not be considered a registered Shareholder**. Beneficial Shareholders (as defined below) should note that only proxies deposited by registered Shareholders (*i.e.*, Shareholders whose names appear on the records of the Corporation on the Record Date) will be recognized and acted upon at the Meeting. Beneficial Shareholders should therefore ensure that instructions regarding the voting of their Common Shares are properly communicated to the appropriate person (*i.e.* registered Shareholders) well in advance of the Meeting. See “Voting Directions for Non-Registered Beneficial Holders” below.

NOTICE TO SHAREHOLDERS

The Common Shares of Wentworth are listed on AIM and the Oslo Børs.

AIM

Trades in the securities, including the Common Shares, quoted on AIM must be settled in the first instance in the CREST settlement system (“**CREST**”) maintained by Euroclear UK and Ireland (“**Euroclear**”). The CREST settlement system is a system that allows securities to be transferred electronically in dematerialized form from one person’s CREST account to another without the need to use share certificates or written instruments of transfer.

Securities issued by the Corporation, being a corporation incorporated outside of the United Kingdom, cannot be held or transferred in CREST. Therefore, in order to enable investors to hold and transfer such securities through CREST, any CREST member must request to have their holding dematerialized and hold the relevant securities as depository interests representing the underlying securities (“**Depository Interests**”), which are then held in trust for the holders of the Depository Interests. The Depository Interests are issued and administered by Capita IRG Trustees Limited (the “**Depository**”), which provides a Depository Interest facility and other registration services to the Corporation.

CREST is a voluntary system and holders of Common Shares who wish to receive and retain share certificates are able to do so. No temporary documents of title will be issued by the Corporation. The Common Shares have not themselves been admitted to CREST. Instead, the Depository will issue Depository Interests in respect of the underlying Common Shares. The Depository Interests representing the underlying Common Shares will be independent securities constituted under English law and capable of being held and transferred through CREST. The Depository Interests will have the same ISIN as the underlying Common Shares and will not require a separate listing on AIM.

In the case of Common Shares held in uncertificated form as Depository Interests, the Depository will be responsible for keeping the records of such holdings, and will report to the Corporation from time to time.

The Common Shares traded on AIM (through Depository Interests) can be transferred to the Oslo Børs and into VPS Interests (as defined below) and vice versa. Shareholders wishing to transfer Common Shares from Depository Interests to the VPS can do so through their broker. Movements from the VPS to trading on AIM as Depository Interests can also be made in this manner. In such a way, the Common Shares can be traded on the Oslo Børs or AIM, irrespective of the jurisdiction in which the investor is based. However, it should be noted that if cross border delivery is required this may slow down the settlement time so investors are advised to discuss this with their broker at the time any trade is placed.

Oslo Børs

The Common Shares are also listed on the Oslo Børs and are registered with the Norwegian Central Securities Depository, also known as “*Verdipapirsentralen*” (“**VPS**”), a Norwegian corporation operating a computerized book-based entry system in which ownership, encumbrances and transactions related to securities listed on the Oslo Børs are recorded (“**VPS Register**”). A requirement of being listed on the Oslo Børs is that a record of the ownership of the Common Shares traded on the Oslo Børs must be registered with the VPS. Nordea Bank Norge ASA (the “**VPS Registrar**”) is the registrar of the Corporation in accordance with the terms set out in a registrar agreement entered into between the Corporation and the VPS Registrar.

In order that Common Shares traded on the Oslo Børs can be more easily transferred between the Oslo Børs and AIM (as referred to above), the VPS Registrar is registered as the holder of Depository Interests (representing Common Shares) in aggregate equivalent to the amount of the Common Shares traded on the Oslo Børs. Neither the Common Shares nor the Depository Interests themselves are traded on the Oslo Børs and the VPS Registrar instead registers beneficial interests (deposit rights) in the Common Shares in VPS (“**VPS Interests**”) for the purposes of such VPS Interests (themselves representing Common Shares) being traded on the Oslo Børs. The VPS Registrar holds the Depository Interests as nominee on behalf of each beneficial holder of the underlying Common Shares. The VPS Registrar registers each Shareholder’s ownership of Common Shares traded as VPS Interests on the Oslo Børs in each such Shareholder’s VPS account. Each Shareholder’s ownership rights in respect of the underlying Common Share represented by each VPS Interest will be registered in the VPS under the category of a “share” and the relevant

Shareholder's ownership of the VPS Interest will be listed and traded on the Oslo Børs. Each VPS Interest registered with the VPS will evidence the relevant holder's beneficial ownership of one Common Share.

The Common Shares held on the VPS Register, which remain listed and traded on the Oslo Børs, may be transferred into Depository Interests held through CREST and vice versa. Shareholders wishing to transfer Common Shares from the VPS Register to a Depository Interest can do so through their broker. Movements from CREST to the VPS Register can also be made.

VOTING BY PROXY FOR REGISTERED SHAREHOLDERS

The following instructions are for registered Shareholders only. Only registered Shareholders or their duly appointed proxyholders are permitted to vote at the Meeting.

Each registered Shareholder must complete and submit a form of proxy ("**Form of Proxy**"), a copy of which will be sent to each registered Shareholder, to vote their Common Shares no later than 48 hours (excluding Saturdays, Sundays and holidays in Alberta, Canada) prior to the time of the Meeting, or any adjournment(s) thereof.

Appointment and Revocation of Proxies

The persons named in the Form of Proxy are officers and directors of the Corporation ("**Management Designees**"). **A registered Shareholder submitting a proxy has the right to appoint a person (who need not be a Shareholder) to represent the Shareholder at the Meeting other than the Management Designees designated in the Form of Proxy furnished by the Corporation. To exercise this right, the Shareholder must cross out the names of the Management Designees and legibly insert the name of the desired representative in the blank space provided in the Form of Proxy** or by submitting another appropriate proxy. To be effective, and acted upon, a properly executed and completed Form of Proxy must be deposited with Capita, at 34 Beckenham Road, Kent, BR3 4TU by 10:00 a.m. (BST) on June 20, 2017, being 48 hours (excluding Saturdays, Sundays and holidays in Alberta, Canada) prior to the time of the Meeting, or at least 48 hours prior to any adjournment(s) thereof (excluding Saturday, Sundays and holidays in Alberta, Canada). The Form of Proxy must be in writing and must be executed by the Shareholder or the Shareholder's attorney authorized in writing, or, if the Shareholder is a corporation, under its corporate seal, by an officer or attorney, authorized in writing. A proxy signed by a person acting as attorney, executor, administrator, trustee or in some other representative capacity must, in the space provided in the Form of Proxy, indicate his or her capacity to act and must provide evidence of his or her qualification and authority to act. If you return the Form of Proxy to Capita and have left the line for the proxyholder's name blank, then the Chairman (or his alternate) will automatically become your proxy holder.

A registered Shareholder that has given a proxy may revoke it by (a) depositing an instrument in writing executed by the Shareholder or by the Shareholder's attorney authorized in writing at (i) the registered office of the Corporation at any time up to and including the day before the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or (ii) with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof, prior to commencement; or (b) in any other manner permitted by law. If the Shareholder is a corporation, a revoked proxy must be effected in its name under the corporate seal or by an officer or attorney of the corporation.

Exercise of Discretion by Proxy Holder

All Common Shares represented at the Meeting by properly executed proxies will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for, and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **IN THE ABSENCE OF ANY SUCH DIRECTION, SUCH COMMON SHARES WILL BE VOTED IN FAVOUR OF THE MATTERS SET OUT IN THE NOTICE OF MEETING HEREIN.** The Form of Proxy also confers discretionary authority on the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting.

At the time of printing this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. If any such matter or if any amendments to, or variations of, the matters identified in the Notice of Meeting should

properly come before the Meeting, proxies received pursuant to this solicitation will be voted on such matters, amendments or variations in accordance with the best judgement of the persons voting the proxy.

VOTING DIRECTIONS FOR NON-REGISTERED BENEFICIAL HOLDERS

Holders of Depository Interests, holders of VPS Interests and holders of Common Shares held through a broker or nominee (“Beneficial Shareholders”).

A. Beneficial Shareholders who hold their Common Shares through the Depository as at the Record Date

Holders of Depository Interests can direct the Depository how to vote their shares or abstain from voting by completing, signing and returning the enclosed Form of Direction for use at the Meeting which is enclosed with this Information Circular (the “**Form of Direction**”). To be valid, the Form of Direction must be filled out, correctly signed (exactly as your name appears on the register of Depository Interests), and delivered to Capita Asset Services, PXS, 34 Beckenham Road, Beckenham, Kent, BR3 4TU, United Kingdom, by 10:00 a.m. (BST) on Monday, June 19, 2017, or 72 hours prior to any reconvened Meeting in the event of an adjournment of the Meeting (excluding Saturday, Sundays and holidays in Alberta, Canada and / or the United Kingdom). The Depository will then vote or abstain from voting on the holders of Depository Interests’ behalf at the Meeting, as instructed in the Form of Direction.

Depository Interest holders wishing to attend the Meeting should contact the Depository at Capita IRG Trustees Limited, The Registry, 34 Beckenham Road, Beckenham, Kent, BR3 4TU or by email at custodymgt@capita.co.uk by no later than 10:00 a.m. (BST) on Monday, June 19, 2017 to request a Letter of Representation.

Alternatively, holders of Depository Interests can vote using the CREST electronic proxy voting service by using the procedures described in the CREST manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed voting service provider(s) should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for an instruction made by means of CREST to be valid, the appropriate CREST message must be properly authenticated in accordance with Euroclear’s specifications and must contain the information required for such instructions, as described in the CREST manual. The message must, in order to be valid, be transmitted so as to be received by the issuer’s agent, Capita Asset Services (CREST Participant ID RA10) by 10:00 a.m. (BST) on June 19, 2017 being 72 hours before the Meeting (excluding Saturday, Sundays and holidays in Alberta, Canada and / or the United Kingdom). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the Corporation’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of a proxy appointment or instruction made by means of CREST, having been properly authenticated in accordance with Euroclear’s specifications, containing all information required for such instructions (a “**CREST Proxy Instruction**”). It is therefore the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

The Corporation may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) of the *United Kingdom Uncertificated Securities Regulations 2001*.

B. Beneficial Shareholders who hold VPS Interests

Holders of VPS Interests must, in order to vote their Common Shares, complete and submit a form of proxy (“**VPS Form of Proxy**”), a copy of which will be sent to each holder of VPS Interests, to the VPS Registrar, Nordea Bank Norge ASA, Attn: Issuer Services, P.O. Box 1166 Sentrum, N-0107, Oslo, Norway, no later than 10:00 a.m. (BST) / 11:00 a.m. (CEST) on Friday, June 16, 2017, or at least 96 hours (excluding Saturdays, Sundays and holidays in

Norway and / or Alberta, Canada) prior to any reconvened Meeting in the event of an adjournment of the Meeting. The VPS Registrar will then vote or abstain from voting on behalf of the relevant holder of VPS Interests at the Meeting, as instructed in the VPS Form of Proxy. VPS Forms of Proxy may also be submitted prior to the above deadline by email to nis@nordea.com or by fax to +47 24 01 34 62.

C. Beneficial Shareholders who hold their Common Shares through a broker or a nominee

If Common Shares are beneficially held through a broker or nominee, these Beneficial Shareholders are not entitled to vote in person or by proxy at the Meeting. Instead these Beneficial Shareholders must give their voting instructions to their broker or nominee. Each broker or nominee should solicit from their customers, directions on how to vote the Common Shares, and the broker or nominee (if applicable) must then vote such Common Shares in accordance with those instructions (whether through the Depository or otherwise). The broker or nominee will give the Beneficial Shareholders directions on how to instruct the broker or nominee to vote their shares. The broker or nominee will not be able to vote the Beneficial Shareholders' Common Shares unless the broker or nominee receives appropriate instructions from the Beneficial Shareholders.

Revoking Voting Instructions

If the holders of Common Shares want to revoke voting instructions, in the case of Shareholders holding their Common Shares beneficially through the Depository, voting instructions may be revoked prior to its exercise by:

- giving written notice of the revocation to Capita; or
- properly completing and executing a later-dated voting instruction and delivering it to Capita, by 10:00 a.m. (BST) on Monday, June 19, 2017, being 72 hours before the Meeting, or at least 72 hours (excluding Saturdays, Sundays and holidays in Alberta and / or the United Kingdom) prior to any reconvened Meeting in the event of an adjournment or postponement of the Meeting.

- giving written notice of the revocation to the VPS Registrar; or
- properly completing and executing a later-dated VPS Form of Proxy and delivering it to the VPS Registrar at Nordea Bank Norge ASA, Attn: Issuer Services, P.O. Box 1166 Sentrum, N-0107, Oslo, Norway, or sending it by fax to +47 24 01 34 62 or via email to nis@nordea.com, so that it is received by 10:00 a.m. (BST) / 11:00 a.m. (CEST) on Friday, June 16, 2017, being 96 hours before the Meeting, or at least 96 hours (excluding Saturdays, Sundays and holidays in Norway and / or Alberta, Canada) prior to any reconvened Meeting in the event of an adjournment or postponement of the Meeting.

If the holders of Common Shares want to revoke voting instructions, in the case of Shareholders holding their Common Shares beneficially through a broker or nominee, voting instructions may be revoked prior to its exercise by following the procedure provided by the broker to change those voting instructions.

NOTICE-AND-ACCESS

Although the Corporation is not a reporting issuer under Canadian securities laws, the Corporation has elected to use a notice-and-access model to send proxy-related materials to Shareholders (Beneficial Shareholders as well as registered Shareholders) for this Meeting similar to the approach provided for reporting issuers under National Instrument 54-101 – *Communication with Beneficial Owners of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations* (“**Notice-and-Access**”). Notice-and-Access is a new set of rules developed by the Canadian Securities Administrators that reduces the volume of materials that must be physically mailed to Shareholders by allowing a reporting issuer to post its Information Circular and any additional materials online.

Shareholders will still receive a notification of this Meeting and the associated proxy documentation and may choose to receive a hard copy of the Information Circular, as well as a hard copy of the Corporation's annual report containing the audited financial statements of the Corporation for the year ended December 31, 2016. The Corporation will not use procedures known as ‘stratification’ in relation to the use of Notice-and-Access. Stratification occurs

when an issuer using Notice-and-Access provides a paper copy of its Information Circular to some shareholders only with the notice package.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation was incorporated under the name Artumas Group Inc. pursuant to the ABCA on August 8, 2000. By-Law No. 1 of the Corporation provides that a quorum of Shareholders exists if at least one person is present holding or representing by proxy not less than 5% of the Common Shares entitled to vote at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, as of the date hereof, no person or company beneficially owns, or controls or directs, directly or indirectly, Common Shares carrying 10% or more of the voting rights attached to the outstanding Common Shares.

CORPORATE GOVERNANCE

As a Canadian corporation incorporated under Alberta corporate law, with its primary listing on the Oslo Børs, the Corporation is subject to the rules of the Oslo Børs, including its continuing obligations for listed companies. According to those rules, the Corporation is required to publish a statement on the Corporation’s principles for corporate governance in accordance with Section 3-3b of the *Norwegian Accounting Act* and the *Norwegian Code of Practice for Corporate Governance* of October 30, 2014 (the “**Code of Practice**”). Pursuant to the admission of the Corporation’s Common Shares for trading on AIM on October 25, 2011, the Corporation is also subject to the AIM Rules for Companies. The Board considers it appropriate to comply with the Corporate Governance Guidelines for Smaller Quoted Companies (the “**QCA Code**”) (published by the Quoted Companies Alliance, from time to time) to the extent that it is practical to do so, given the nature and current size of the Corporation. The QCA Code states that companies that wish to demonstrate good corporate governance are advised to publish an annual statement detailing their approach to corporate governance. The Corporation is not required to comply with the Listing Rules which require companies to implement a higher level of corporate governance reporting than QCA Code. The QCA Code is available at www.theqca.com.

Canadian Securities Administrators National Policy 58-201 – *Corporate Governance Guidelines* provides guidance on corporate governance practices for Canadian legal entities. These guidelines, while not mandatory, deal with the constitution of boards of directors and board committees, their functions, their independence from management and other means of addressing corporate governance practices. Although the Corporation is not a reporting issuer, the Corporation has elected to comply, except as set out in its Report on Corporate Governance (located on its website), and disclose in accordance with National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), on an annual basis, its approach to corporate governance with reference to the form prescribed by NI 58-101.

WENTWORTH RESOURCES LIMITED

Statement on the Determination of Compensation of Executive Personnel

Guidelines for Compensation

The main purpose of Wentworth Resources Limited’s (the “**Corporation**”) executive compensation program (the “**Executive Compensation Program**”) is to encourage a strong and sustainable performance-based culture, which supports growth in shareholder value. Under the Executive Compensation Program, total compensation to executives consists of a market competitive base salary, discretionary annual bonus, standard employee benefits and participation in the Corporation’s amended stock option plan dated July 16, 2008 (the “**Option Plan**”).

The Executive Compensation Program is designed to reward both individual and corporate performance.

Salary, Bonus, Benefits (*Advisory*)

- All executives receive a fixed annual salary (“**Base Salary**”) and standard employee benefits. An assessment of the Base Salary is to be completed each year and any changes shall be in writing and approved by the Board.
- An annual bonus may be paid each financial year to an executive based on the Compensation Committee’s assessment of the Corporation’s general performance and individual performance. The maximum annual bonus payable to any executive is 100% of Base Salary.
- Information about severance arrangements for executives is contained in the Corporation’s Information Circular dated May 5, 2017 prepared for the Annual and Special Meeting of Shareholders to be held June 22, 2017 (the “**Circular**”).

Stock Options (*Binding*)

- The Corporation provides long-term incentive compensation to its executives through its Option Plan. The Option Plan provides for the issuance of up to 10% of the issued and outstanding common shares in the capital of the Corporation. Previous grants of stock options are not taken in consideration when determining the current year’s grant of stock options.

The Board shall have the right to deviate from these established advisory and binding guidelines at its sole discretion in exceptional circumstances to be assessed on an individual basis.

The Executive Compensation Program gives greater weight toward long-term incentives than short-term incentives with a view to mitigating the risk of encouraging short-term goals at the expense of long-term sustainability and the enhancement of shareholder value. The discretionary nature of the annual bonus awards and option grants are significant elements of the Corporation’s compensation plans and provide the ability to reward individual and corporate performance and individual behaviour that the Board and the Compensation Committee, being a subset of the Board, consider to be aligned with the best interests of the Corporation.

Additional details are disclosed in the Circular under “*Statement of Executive Compensation*”.

The Code also requires communication to the investing public about the Corporation to be timely, factual and accurate and in accordance with the Corporation's Disclosure Policy. The Corporation has adopted policies and is in compliance with the insider trading rules applicable to issuers listed on Oslo Børs. Effective March 18, 2008, the Board amended the Code to include more detailed provisions dealing with compliance with the applicable domestic and foreign anti-corruption legislation. Effective October 21, 2011, it was amended again in conjunction with the listing of the Common Shares to AIM, which includes procedures in compliance with the UK Bribery Act. The duties of the Compensation Committee include preparing guidelines for the remuneration of the executive officer and other remuneration matters, and preparing matters relating to other material employment issues in respect of the executive officer. For further information, see "Compensation Discussion and Analysis" under the heading "Statement of Executive Compensation" in this Information Circular.

Audit Committee: For disclosure regarding the Audit Committee, see the section "Audit Committee" in the Information Circular.

Reserves Committee: The Reserves Committee is composed of two independent directors and one non-independent director. The purpose of the Reserves Committee is to assist the Board in carrying out its oversight responsibility with respect to public reporting of its petroleum and natural gas reserves and resources. The duties of the Reserves Committee include assisting the Board in respect of annual independent and internal reviews of the Corporation's reserves, review of the Corporation's procedures relating to the disclosure of information with respect to reserves, annually review the selection of the reserves evaluator chosen to report to the Board, annually review and approve the expected fees of the reserves evaluator and meet with management and the reserves evaluator, both collectively and independently. The Reserves Committee considers and discusses with management and the reserves evaluator the material assumptions and operating parameters used in creating the reserves report, recommends to the Board the approval of the filing of the reserves data and required forms under applicable securities laws and the rules of any stock exchange on which the Corporation's securities are listed; and review all material press releases relating to reserves as well as any disclosure issues and correspondence raised by securities or stock exchange regulators with regard to matters involving reserves.

Governance and Nomination Committee: In addition to the Audit and Compensation Committees, the Board has also established a Governance and Nomination Committee. On December 7, 2007, the Board adopted a formal charter for the Governance and Nomination Committee. The charter was amended on October 21, 2011 and June 27, 2016.

The Corporation's Governance and Nomination Committee consists of two independent directors and one non-independent director. It is responsible for developing the Corporation's approach to corporate governance and reporting annually to the Corporation's shareholders through disclosure of the Corporation's corporate governance practices.

In addition, the Governance and Nomination Committee establishes criteria for the Board and committee membership, and uses that criteria to recommend composition of the Board and its committees, propose the remuneration to be paid to the members of the Board and its committees and, as circumstances arise, assess directors' performance. The Governance and Nomination Committee is responsible for identifying, interviewing and proposing to the Board candidates who possess suitable knowledge of the nature of the Corporation's business activities and who have appropriate experience and standing in those jurisdictions where the Corporation operates.

Nomination of Directors: Once a decision has been made to add or replace a director, the task of identifying and recommending new candidates falls on the Governance and Nomination Committee. Proposals are put forth by the Governance and Nomination Committee to the Board. Annually, the Governance and Nomination Committee proposes to the Board the directors recommended to be re-elected or elected at the annual general meeting of shareholders of the Corporation.

According to the Corporation's Articles and the ABCA, the directors may, between annual general meetings, appoint one or more additional directors to serve until the next annual general meeting, but the number of additional directors

shall not at any time exceed one-third of the number of directors who held office at the expiration of the last annual general meeting of the Corporation.

Term Limits: The Corporation has not adopted term limits for the Board as we take the view that term limits are an arbitrary mechanism for removing directors which can result in valuable, experienced directors being forced to leave the Board solely because of length of service. Instead, we believe that directors should be assessed based on their ability to continue to make a meaningful contribution.

Assessments: The Board has delegated the responsibility to conduct assessments of the Board, its committees and individual directors to the Corporation's Governance and Nomination Committee. The Governance and Nomination Committee has not, to date, considered it necessary to conduct a formal assessment of the Board, its committees and individual directors. The Governance and Nomination Committee satisfies itself that the Board and its committees and individual directors are performing effectively through informal discussions amongst individual directors and officers of the Corporation, and reports to the Board indirectly through recommendations for re-election, compensation and committee membership of the directors. Any concerns about the effectiveness of the foregoing can be addressed to the Executive Chairman of the Board.

Representation of Women on the Board: The Corporation has not adopted a written policy relating to the identification and nomination of women directors.

Candidates considered for the Board are assessed on their individual qualifications, diversity, experience and expertise and must exhibit the highest degree of integrity, professionalism, values and independent judgment. While the emphasis on filling board vacancies is on finding the best qualified candidates given the needs and circumstances of the Board, a nominee's diversity of gender, race, nationality or other attributes may be considered favorably in his or her assessment. The Corporation's Governance and Nomination Committee considers and, where appropriate, seeks to increase the level of representation of women on the Board in identifying and nominating candidates for election to the Board. The Board does not specifically consider the level of female representation on the Board when making such appointments, nor does it have targets in respect of appointing women to the Board. There are currently no women serving on the Board.

Representation of Women in Executive Officer Positions: The Board does not specifically consider the level of female representation in executive officer positions when making such appointments nor does it have targets in respect of appointing women to these positions. The Board considers each candidate's experience, knowledge, education, management capabilities and competency, as well as the effect of the appointment on the diversity of the Corporation's executive officers as a whole. In terms of gender equality within the Corporation, no Board Members are women but 22 percent of the executive & senior management team, including the corporate secretary, are women.

In general, each independent director shall be free of any relationship that could, or could reasonably be perceived to, in the opinion of the Board, interfere with the exercise of independent judgment as a member of the Board. Further, at least two Directors elected by the Shareholders of the Corporation shall be independent of any holders of 10% or more of the voting securities of the Corporation. The Board as a whole shall annually review and make a determination as to each Director's status as an independent Director.

All new Directors should also understand the nature and operation of the Corporation's business.
